

4th International Conference of Cell Biology

On behalf of Scientific Association of Cell Biology at the Faculty of Biology of Jagiellonian University we kindly invite you to take part in the **4th International Conference of Cell Biology**, which will be held at **11th and 12th of May 2018 in Cracow, Poland**.

Conference is addressed to students, PhD students and research workers conducting their research in the wide field of cell biology. Participants are encouraged to give an **oral presentation** in one of the thematic sessions or to present a **poster** during the poster session

(either in the **experimental** or **theoretical** section). Oral presentations and experimental posters will be evaluated and there will be awards for best performances.

We would like to encourage young, aspiring scientists to have their first attempt with theoretical poster. You are very welcome at the Conference!

Among others, this year keynotes are.

Prof. Hugh Piggins – University of Manchester

Prof. Christoph Neumayer – Department of Surgery, Medical University of Vienna

Prof. Chiara Zuccato – Department of Biosciences, University of Milan

Abstract submission deadline: **31.03.2018**

Registration deadline: **08.04.2018**

The place of conference is charming city Cracow in Lesser Poland. Taking part in event is a great opportunity to share ideas, meet amazing people and have a good time in a beautiful place.
